

When Spiritual Warfare Makes You Feel You're Losing Your Mind

Usually when spiritual warfare comes at me, it comes from more than one direction.

The enemy knows he can't send a low-level devil in my path with any success. So he usually comes from more than one side.

At times, you feel the warfare in your body but hear nothing in your mind. At other times, you wonder if you're going to lose your mind.

You have to take authority! Listen in on this teaching that will help you stay sane when the battle is raging!
