

Why Did We Impeach Trump for Telling the Truth?

Franklin Graham and Eric Metaxas believe the impeachment initiative has a demonic origin and Larry Tomczak wholeheartedly agrees! Why have misconduct and dishonesty among 10 other presidents been basically given a “pass” yet the radical left has relentlessly continued their three-year effort to remove our duly elected president?

Engage for 10 minutes with cultural commentator and bestselling author Tomczak to understand the issue and find out how very serious actions by past presidents were basically overlooked.
