

Why Is Steven Furtick Climbing the iTunes Music Charts?

Though Elevation Church is renowned for its worship, Pastor Steven Furtick usually sticks to teaching not singing. So why does the megachurch pastor have a new single climbing the iTunes charts? Furtick's "I Will Be Confident"—which reached No. 4 on iTunes' Christian & Gospel charts on its release day—is an inspirational combination of preaching and spoken-word, designed to propel you into 2018. Check out the music video and then let us know what you think in the comments.
