

Why Is This Hip-Hop VeggieTales Remake Going Viral?

The VeggieTales theme song got remade into a trap hip-hop song this week, and the resulting music video has gone viral. The video, which stars rapper Shama and producer Dru, sees the duo riffing on the classic Christian video series over modern club beats. The video has amassed over 142,000 views in just three days, but YouTube's commenters can't decide whether it's actually good. One wrote, "I hate it but I love it," while another wrote, "Y'all better win a Dove award for this." Watch it [here](#) and decide for yourself.
