

Why Jesus and the Holy Spirit Met Me in Person at the Singapore Airport

Pastor Reg Morais says he was about to quit the ministry. He was at the Changi International Airport in Singapore and had told his parents he was going to stop pastoring and become a full-time businessman. Then he suddenly saw Jesus appear on his right and the Holy Spirit on his left. He says they both spoke to him for 15 minutes. Why did they appear to him? Morais explains in this video.
