

Why the Narrow Road Is Always the Better Option

Jesus said that most people in life are on the wrong road. They've entered the wide gate, and they are traveling on the broad path that leads to hell. They have yielded to deception and a watered-down gospel which doesn't confront them with their ungodly way of living.

Many people have sold their souls for power, money or fame. Many have formed a partnership with the devil, by standing in agreement with his lies and half-truths.

If you have compromised the unchanging message of the gospel for a self-approved, convenient version of your own, you are on a dangerous road.

Watch this video to change your path and discover the blessings on the narrow road.
