

Why You Should Not Ignore the Reality of Angels

Too often Christians ignore the reality of angels, but that's not what the Bible teaches us.

Lion of Judah Ministries wants believers to realize that angels did not die in the Old Testament. There is nowhere in the Bible that says angels stopped ministering to the children of God once the Bible was written.

Today, angels are still doing work in the lives of God's children, guiding people, protecting people and shielding people.

Christians must be aware that, although we cannot see them, angels are standing right beside us. They are not looking down from heaven nor are they gathered in one corner of the world and watching over us. They are fighting for you.

Believers should not be afraid of anything in this world. There are some battles angels have won for you that you may not know anything about.

Hebrews 13:2 reads, "Do not forget to entertain strangers, for thereby some have entertained angels unknowingly."

Hebrews 1:14 reads, "Are they not all ministering spirits sent out to minister to those who will inherit salvation?"

And, Psalm 91:5-8 reads, "You shall not be afraid of the terror by night, nor of the arrow that flies by day; nor of the pestilence that pursues in darkness, nor of the destruction that strikes at noonday. A thousand may fall at your side and ten thousand at your right hand, but it shall not come near you. Only with your eyes shall you behold and see the reward of the wicked."

Don't you see how great God is? He is concerned about you and your family, and you are divinely protected.
