

Will April 19-20 Bring Infamy That Will Forever Affect History?

Is something disastrous just around the corner?

“April 19 and 20 throughout history has been a day of infamy,” author William Koenig tells Jim Bakker.

A few examples:

- The United States has had major wars started on those two dates.
- The Roman Empire was established on April 21.
- Mohammad was born on April 20.
- Hitler was born on April 20.
