

You'll Miss Out on Divine Opportunities if You Fail to Do This

Through revelation the Lord has been speaking to Joshua Giles, he has learned of the significance of the time we are in. Listen to this recent episode of *The Global Prophetic Forecast* on the Charisma Podcast Network to learn how Giles believes this word will shape our understanding of what is to come.

Giles first says the Lord revealed to him that "August is a wisdom month," and only those that are "connected to the heart, the mind, the will of God ... are able to navigate with wisdom what the Holy Spirit is saying."

He also says, "The wisdom of God is something that you must begin to ask for." Therefore it is imperative that we begin to ask for wisdom, because "if we don't follow the principles in the instructions of the Lord, within this month, we will miss out on major key opportunities."

Giles was reminded of the story of Joseph in Genesis Chapters 45 and 47. He says, "The anointing of Joseph is a powerful anointing that's being placed upon us, ... that equipping that God has given us not just to survive a famine or difficult times, but to thrive in the middle of it, which means that the Lord has ordained that you would prosper even in the middle of your famine."

Even when it feels like we are in the midst of a famine, and we seek out wisdom from the Lord, Giles believes, "In the midst of all of these things, God still has a plan."
