

Zephaniah 2 Prophecy Fulfilled? ‘We Could Be on the Brink of All-Out War’

As rockets rain down on Israel, Derek and Sharon Gilbert of Skywatch TV see an Old Testament prophecy coming to pass.

“Gather together, yes, gather together, O shameless nation, before the decree takes effect,” Sharon reads from Zephaniah 2.

“We don’t know what decree that is, but it seems to imply something geopolitical,” she says, then continues with the Scripture.

“‘For Gaza shall be deserted, and Ashkelon shall become a desolation.’ Israel now lives in Ashkelon. That means that there’s war there,” Sharon says.
