

2 Tactics the Enemy Uses to Hinder Our Kingdom Authority

Looking at Christians today, a lot of us seem pretty hopeless.

Many are struggling in their marriages or are financially upside down. Even greater, millions are battling with emotional issues such as depression and anxiety.

I know that if I were not already a Christ-follower, I wouldn't see much point in becoming a Christian. There is not much of a difference in the lives of those who follow Christ and those who don't.

But why?

In my latest episode of *The Victory > The Struggle*, I discuss the two tactics that the enemy uses to hinder the Christian from walking in their God given authority in Christ. Please tune in and listen to my other podcasts.
