

Are You Equipped for Spiritual Battle?

Have you ever experienced a prophetic revelation that dramatically changed the course of your life? I have, and I want to share it with you.

Twenty-five years ago, Tiz and I were invited to visit Israel. It came at a critical time in our lives. Little did I know that what would happen in Capernaum, the town where Jesus often taught, would change my life teachings and the direction of our ministry.

We had just stopped to visit the ancient ruins of the synagogue and the plaque of dedication there when I heard God speak these profound words into my spirit,

“Larry, I’m going to teach you how to re-read the Bible through the eyes of a Jewish Jesus.”

That day I began an amazing, prophetic journey that would transform me, my doctrine and my destiny.

Reading the Bible with new eyes and hearing the words of Scripture with open ears, I started to see Jesus differently. I realized that as a Jewish Rabbi, He devoutly studied the Torah. He kept all the Jewish feasts and appointed times. He observed all the Laws of Moses. For the first time, I realized that Jesus had come not to destroy the Torah and the Law but to fulfill it. I wanted to share the impact of a Jewish Jesus with others, which has led me to you today.

My latest book *Seven Living Prophecies* takes these powerful concepts to a whole new level by showing you the divine connection between Israel, the church and Bible prophecy.

I am covering this book right now on my new Charisma Podcast

Network, *Standing With Israel*. As prophetic events continue to be fulfilled, you need to be ready for what the future holds. Please take a few minutes to listen and get armored up and *Equipped For Spiritual Battle*. And you just might receive the revelation that I did years ago that will powerfully and dramatically transform your life! {eoa}
