

Do You Have Soul Ties to the Spirit of Fear?

Fear is running rampant in the earth. It is so important that we don't put our fear on another person.

Have you experienced abnormal fear recently? Have you been around people who are in fear? Do you find yourself fearing things that weren't fearful before? You could have a soul tie to the spirit of fear.

When we haven't struggled with fear and then all of a sudden we are fearing things people are discussing or being tempted with a past stronghold of fear, we could be taking on a soul tie of fear. Soul ties are evil spirits and spiritual warfare we can receive when we are in relationship with another person. It does not have to be a sexual relationship; it can be any kind of relationship. We need to protect and guard our heart, soul and spirit at all times.

Identifying soul ties of fear will help you evict fear from your life. You can't evict what you don't acknowledge.

Fear is heightened around the earth currently. You listen to the news and there is fear; you go to a coffee shop and you can hear people talking in fear; you walk out into the community and fear is everywhere. I believe right now in the spiritual realm, we can use our five natural senses to sense the spirit of fear that is in operation over the earth.

The good news is that we don't have to be a part of it or participate with fear. We can break agreement with fear, whether our own or a soul tie of fear. In my podcast episode, *Releasing Soul Ties off Fear*, you will learn how to break agreement with fear.
