

How 3 of Hell's Most Threatening Conspirators Are at Work Today

Whether or not we realize it, we are part of a supernatural world. Spiritual forces are at work in every element of life. In his book *Hell's Toxic Trio: Defeat the Demonic Spirits that Stall Your Destiny*, Ryan LeStrange writes on three particular spirits that have an agenda to cripple our faith and draw us away from God.

The toxic trio are the Jezebel spirit, the python spirit and the religious spirit. For the Jezebel spirit, seduction is its game as it distracts, manipulates and deceives. The python spirit chokes the wind of God out of a believer. It slithers into the lives of those seeking spiritual breakthrough and waits to impose its deadly grasp. The religious spirit sows legalism and bondage into the hearts of God's people. It uses tradition to limit believers in their spiritual walk and prevents transformation.

LeStrange's book will reveal to you the personal and corporate operations of the religious spirit. He exposes the python spirit's multifaceted operations and equips readers with the strategies to break from its suffocating grip. He rips the veil off the Jezebel spirit that has been at work throughout history to seduce God's people and kill the prophets.

These three spirits each have unique functions, but they all have the same goal: to break your faith. In *Hell's Toxic Trio*, LeStrange arms you with the tools to overcome their power.

"Exposing the conspiracy tactics of this toxic trio is not just about studying these spirits—it is about setting you on course for a greater walk in the Spirit. It is about entering God's prophetic times and seasons for your life. It is about

enjoying the invigorating winds of heaven. ... The toxic trio will fall, and the will of heaven will be manifested in your life!" LeStrange says.
