

How You Can Know Biblically if You're Cursed

No true believer would want a curse or curses operating in their life. But how do you know if you are cursed?

Pastor Jim Kibler explains on the *Receiving From God* podcast on the Charisma Podcast Network, "The first thing we need to do is understand what a curse is. ... A curse is continual permission for a demon to operate in your life.

"Curses and demons, along with everything in the kingdom of God, are subject to spiritual laws. There are spiritual laws. One spiritual law is the law of faith. Without faith, you get nothing from God. Without faith, it's impossible to please God. We're going to receive from God according to our faith. These are spiritual laws.

"Another spiritual law is, you must be born again to see the kingdom of heaven. If you're not born again, you're not going to see the kingdom of heaven, and you're not going to be able to understand the things of God. ... Well, curses and demons are also subject to spiritual laws. They cannot operate outside of the spiritual laws."

So, how do you know if you're cursed? Kibler shares Deuteronomy 28:15 (KJV), which says, "It shall come to pass, if you will not hearken under the voice of the Lord thy God, to observe and to do all his commandments, and his statutes, which I command thee this day; that all these curses shall come upon you and overtake you."
