

# Learn How You Can Throw Off the Spirit of Death

Becky Dvorak, dynamic preacher, healing evangelist and prophetess, has learned how to enforce God's supernatural power in her life. Her book, *Conquering the Spirit of Death*, shows you how to throw off the spirit of death and take hold of the joy and abundance of Jesus' resurrection power.

The spirit of death is a demonic attack to bring premature death. When you latch on to fear, you open a spirit of death. Learn how to identify the spirit of fear—which is a forerunner to the spirit of death—and understand how to use biblical principles to bring healing.

Do you ever feel like you are simply hanging by a thread? Are there things in your life you'd like to change?

Perhaps you're looking for opportunities or open doors for a job or a relationship. Jesus is the door, and God has open-door opportunities for you. The door God opens for you, no man can close. It's important to pray for discernment and wisdom. Sometimes there is another door that God would have you choose that you hadn't considered. When you look back and trace God's fingerprints in your life, it will encourage you for the doors you have right now.
