

MIRACLE: 17,000 Come Together for Mass Deliverance

Where the Spirit of the Lord is, there is freedom.

At the Mantle Conference held by Joshua Giles in Atlanta, Ga., 17,000 people had the chance to pray and break the chains of sexual perversion that are currently gripping America's churches.

"In the name of Jesus, by the authority and the power of heaven, we come in agreement here at the State Farm Arena in one accord. We speak to the ruling principality, Aphrodite, Ishtar, Diana of the Ephesians, we come against you in the name of Jesus and we cast you down," Pagani prayed with the

With a crowd of 17,000 praying for these demonic entities to be cast out of the church, heaven must have felt a roar.

Pagani is known for his expertise regarding prayers for deliverance to cast out demonic spirits and break chains of generational curses.

The church must stand up against these forces of darkness through the power of Christ and do the good work that Jesus commanded us to do: "These signs will accompany those who believe: In My name they will cast out demons; they will speak with new tongues; they will take up serpents; if they drink any deadly thing, it will not hurt them; they will lay hands on the sick, and they will recover," (Mark 16:17-18).
