

This Spiritual Warfare Bible Is a Game-Changer—With Contributions from Alexander Paganì!

Renowned deliverance minister and best-selling author Alexander Paganì has just revealed the first official copy of the highly anticipated “Spiritual Warfare Bible: Revised Edition” (2025), releasing next week on Tuesday, May 6—and it includes two of his most impactful works: “The Secrets to Deliverance” and “The Secrets to Generational Curses.”

In an exciting video announcement, Paganì shares, “I want you to be the first to see it because it’s not out yet.” As he opened the newly updated Modern English Version (MEV) Bible, he highlighted quotes and full-page contributions pulled directly from his books. “Our books have now been immortalized,” Paganì says. “Which means as long as this Bible exists out there, our books will continue to exist within the pages of this revised edition.”
