

What Happens When a Satanist Comes to Church?

When you do the work of the kingdom, you're sure to make a few enemies, as Francis Frangipane learned the hard way.

"You're such a nice guy, I find it hard to understand how you had thousands of witches and warlocks fasting and praying and cursing you," Sid Roth says as he interviews Frangipane. "But even more important question than that is, you survived. How did you survive?"

Frangipane tells all his interview. Check it out.
