

Who is God? Dismantling Demonic Doctrine

In today's society, there is a number of false doctrine being pushed, taught and learned as though it is the true knowledge from the one true and living God. New Age practices, the worshipping of other gods and idols, committing oneself to manmade religions and witchcraft are just a few of the many false doctrines that are out there all representing a form of godliness. But how can you know what is fake if you are unsure about what's real? In my latest podcast episode, Who is God? Dismantling Demonic Doctrine, I share with listeners the one and the only way to achieve eternal life, through the blood atonement of Jesus Christ.

The true heavenly Father decided what way was the only acceptable way to Himself. He didn't ask for man's opinion because He is God. He decided and made the only way back to Him acceptable through Jesus Christ. Many are being deceived with a demonic doctrine that Yahweh and Allah are one and the same, and they are not. It is also being taught that Allah, Buddha and Muhammad, to name a few, are other names for the true God of heaven. There is only one name and it is the name above every name: Jesus

We are being confronted in the name of peace and a false peace from the father of lies, and we must arm ourselves with the spirit of truth, being the Word of God, so that we are able to discern all of the doctrines of devils that are swirling in this time of new age, new religions and witchcraft. There is so much confusion because there are so many religions that are demonic, and they denounce and renounce and are not coming into agreement with the blood atonement of Jesus on the cross for our sins. I want to urge those who think that it is okay for the world to be divided in choosing which god they will serve to repent and accept Jesus Christ as their Lord and

Savior. John 3:16 reminds us that He is the way the truth and the light. No one is able to get to the Father except through the Son of Man.
