

Is Your Marriage Struggling or in Crisis?

The Retrouvaille Program offers an all-inclusive marriage-changing weekend experience held at hotels or retreat centers in communities worldwide. From the moment you arrive, you will be welcomed by a caring and attentive team of volunteers. They are a living example of how marriage difficulties can be overcome and reflect that there is hope for a renewed and improved relationship.

The Retrouvaille Weekend experience is an intensive program designed to strengthen and deepen your relationship and take your marriage to a new level. You will not be asked to share your struggles with anyone and couples share in the privacy of their room. The Weekend provides strategies, principles and skills discovered through over 40 years of helping couples in distress turn things around and develop marriages that thrive, not just survive.

While many couples come to a Retrouvaille weekend to deal with an immediate crisis, such as an infidelity, others may have simply drifted apart over time. Others may be living with challenges such as caregiving stress, financial difficulties, blended family issues or addiction recovery. This weekend experience offers time away from the day-to-day grind to focus only on each other and your marriage. Three couples and a clergy team will provide prayerful and loving care for you as you work to rediscover each other, forgive and improve your relationship.

Our experienced presenters are equipped to guide you through specific topics that will strengthen your relationship as you learn interactive tools and improve your communication as a couple. These tools not only enable couples to change the way they communicate but also create trust, intimacy and renewed

commitment to the marriage.

A Retrouvaille Weekend is both inspirational and instructional and has helped more struggling couples and families than any other ministry in the world. A recent survey of participants shows a proven track record of success: 3 out of 4 couples are still in committed marriages five years after attending their Retrouvaille weekend.

Retrouvaille is a nonprofit Christian ministry and program costs are affordable and vary by community due to local accommodations. For more information about the program or to register for an upcoming weekend near you, visit our website at [. No marriage is beyond hope.](#)
