

The Prophets agree: This September, Everything Changes!

The Great Awakening of America is already starting!

We are meeting this September during Rosh Hashanah, and You never want to miss these divine dates on God's calendar. They make the difference between breaking through into a new victory in this season or going around the same mountain for another season.

Joshua Mills will be joining us! He operates with miraculous signs and wonders that testify of Jesus Christ. He has been creating a realm of glory wherever he goes, with a clear message that "praise changes the atmosphere."

Warren Marcus the author of the bestselling book, "The Priestly Blessing" will release to us fresh revelation and heavenly encounters as he released the most powerful revelation and visitation that we have ever experienced to date.

Also, Prophet Bob Hazlett will be with us. This man has one of the most accurate prophetic gifts and mantles we have ever seen. He will release a prophetic word of what God is saying and doing in this hour.

We, David and Stephanie Herzog, with Steve Swanson taking us into the greater glory through worship, know this season will ignite a huge harvest of souls and a Glory Awakening, the likes that we have never seen before in our lifetime!

We don't want you to miss the impartation that God has for you this September in Phoenix! David Herzog Ministries will be hosting the Glory Awakening Festival in beautiful Phoenix,

Arizona September 6-9, 2018 and we want you to be there!
