

DRESS CODE

1. Shirts should be long enough that when you bend over or play sports, **no belly or back shows**. Keep in mind that pants, shorts, or skirts riding low on the hip require longer shirts than normal. If your shirt comes just to the top of your pants, shorts, or skirt, your belly and back **will be visible** throughout the day. **Parents**, please take the responsibility of checking this. **Please do not** force us to ask you to change.
2. Sleeveless blouses and dresses should not be worn. Blouses or dresses with a cap sleeve are acceptable.
3. Necklines are to be modest with no cleavage showing while standing or bending. **Please check this out** by looking in the mirror **before arriving** for services. See thru lace worn over exposed cleavage **is unacceptable**.
4. Dresses are to be at the knee.
5. Short pants should come to the knee. Both men and women are to observe this. They are not to be worn during Formal Worship Services by anyone over the age of 12. Capri pants are an excellent choice for warm weather.
6. Tank Tops are inappropriate at anytime. This applies to Men and Women alike.

It is uncomfortable for both leadership and the individual to address these issues. We would appreciate you honoring us in this issue.

If you are a visitor and were unaware of our dress code, we understand. We do not want you to feel uncomfortable. We ask that you correct the situation the best you can this time and honor our Dress Code fully on your next visit.

Thank you for your cooperation,
